

Retention-Ready Workforce Certification™ (Individual & Career Launch Readiness)

Intake & Foundational Assessments: SAMHSA S.O.A.R.

Social Determinants of Health (SDOH) to identify and deploy needed community service linkages.

Know Yourself: Who am I?

Self-reflection, Skills Inventories, and Personal SWOT Analyses to recognize strengths, transferable skills, and opportunities for growth.

Explore Your Future: Where can I go?

*O*NET career exploration, career comparisons, and facilitated discussions connecting personal strengths to concrete market opportunities.*

How You Show Up Matters: How do I want to show up?

Navigating workplace scenarios and communication activities to master accountability, self-advocacy, professionalism, and personal reputation.

Build Your Professional Community: Who knows I exist?

LinkedIn profile development, networking strategies, and connection activities to intentionally build a supportive career ecosystem.

Core Technical Upskilling & Literacy

Digital Literacy Skills and foundational technical certifications (e.g., Google Workspace, Analytics, CompTIA, or similar tracks).

Behavioral & Soft Skill Cultivation

Live group conditioning in developing Emotional Intelligence (EQ), Critical Thinking Skills, Financial Literacy, Communication, Restorative Scripts, and Psychological Safety to navigate professional settings.

Career Placement Activation & Live Clinics

Active execution of Employment Search Assistance, Mock Interviewing, Goal Planning, and resume building backed by ongoing access to Live TA Clinics to sustain long-term job retention.

Available for delivery on-site and via LMS modules (Google Classroom & Moodle).

Retention-Ready Workplace Certification™ (Employer Operational Readiness)

Psychological Safety & 90-Day Playbook™

Active risk mitigation, compliance, restorative practices, and retention strategies using a structured 90-day implementation system.

Unpacking the DOL Recovery-Ready Toolkit™

Transforming complex federal frameworks into actionable policies capable of receiving a non-traditional workforce.

Change Management Ready™

Actionable corporate strategies to navigate organizational change corporate pivots.

Compliance Ready™

Linking federal regulations and internal policies and procedures to daily work activities.

Network Ready™

Strategic relationship building to map, connect, and deploy critical resources—creating supportive internal and external networks.

Tools & Systems Ready™

Creating automated, forced compliance tools and internal systems that eliminate tech-stacking, while upgrading internal technical capabilities.

ADA & WIOA 188 Ready™

Enterprise compliance alignment with the federal regulations to prevent liability risks.

Live Monthly TA Clinics

Continuous enterprise support featuring real-world case studies, collaborative peer communities, and real-time tracking of organization's 90-Day Playbook implementation status.

Available for delivery on-site and via LMS modules (Google Classroom & Moodle).

Training is available for SHRM Professional Development Credits (PDCs)
